Notes on Segment Information :

1. The Company is in the business of Engineering and Product R&D services. The Company's primary reporting segment is geographical as the revenue in non software related areas are not more than 10% of the total revenue.

2. Assets and liabilities used in the Company's business are not identified to any of the reportable segments, as these are used interchangeably between segments. Management believes that it is not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

3. The Group has identified Software development and manufacturing as a secondary segment

Notes :

Any further adjustments that may be necessary due to fresh evidence/facts and interpretations of MCA/ICA that may be observed/received at the time of finalization of annual financial statements for the year ended September 30, 2020.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results prepared in accordance with applicable accounting standards i.e. Indian Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder or by the Institute of Chartered Accountants of India and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular dated July 5, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
